

Polycom VVX400 Series

Polycom® VVX® 400, 401, 410, 411 Business Media Phones

A color midrange business media phone for today's office workers and call attendants delivering crystal clear communications.

The Polycom® VVX® 400 Series are expandable color business media phones that deliver crystal clear communications, enhanced collaboration and personal productivity.

Simplicity and ease of use

The VVX 400 Series brings high-quality, cost-effective solutions to front-line staff handling a moderate volume of calls through advanced unified communications (UC) telephony features. The intuitive color user interface of the VVX 400 Series makes navigation easy and requires minimal training.

Unsurpassed voice quality and clarity

The VVX 400 Series delivers breakthrough Polycom® HD Voice™ quality for lifelike conversations while minimizing fatigue, making calls more efficient and productive

Maximize productivity

Give your front-line staff the best experience with this high-quality, 12-line color business media phone. The VVX 400 Series improves personal productivity by complementing the workplace applications on the computer. Users can view and manage their Microsoft Exchange Calendars, receive meeting reminders and alerts, access the corporate directory and instant messaging/presence status right on their phone display, even while waiting for their PC to boot. They can also extend their PC's desktop to include the VVX 400 Series screen for mouse/keyboard navigation and interaction.

Best-in-class deployment and administration

The VVX 400 Series is easy to deploy and simple to manage. Using an enterprise-grade, Web-based configuration method allows administrators to easily provision and maintain even a large number of phones throughout the entire organization.

Customizable and expandable

The VVX 400 Series provides personalized information at a glance, through built-in Web applications and custom backgrounds. The VVX 400 Series also comes ready for future expansion modules as your users' needs and business grows.

Market-leading open standards interoperability

Designed for enhanced interoperability, the VVX 400 Series leverages and complements the other existing IT investments in your business. With the broadest call server interoperability in the industry, the Polycom VVX 400 Series midrange business media phone can become the flexible and future-proof foundation for any organization's UC strategy.

Benefits

- Improve productivity for office staff and knowledge workers via an intuitive larger, color display and easy-to-use line appearances
- Make more efficient and productive calls with the unparalleled voice clarity of Polycom® HD Voice™
- Reduce deployment and maintenance costs—the Polycom Zero Touch Provisioning and Webbased configuration tool makes the VVX 400 Series simple to deploy, and easy to administer, upgrade and maintain
- Leverage previous IT infrastructure investments—deploy VVX 400 Series business media phones on your existing network without needing to upgrade your call control platform
- Easily integrate with third-party UC and productivity applications for broad, standards-based, open APIs
- Single USB port (2.0 compliant) for media and storage applications (VVX 401 / VVX 411 only)
