

Yealink T48

Yealink T48 Business Media Phones

Corporate executives can take advantage of every available communication option with the Yealink T48. With its beautiful touchscreen display and media capabilities, our Executive Phone puts the latest technology at executive's finger tips.

Revolutionarily new design

Medtel Communications' SIP Phones continue to evolve, the Yealink T48's have been designed by pursuing ease of use in even the tiniest details, these new design include 7 inch touch screen, scratch-resistant surface, metallic texture, non-slip rubber feet, ergonomic recessed buttons etc.

HD Audio

Yealink HD Voice refers to the combination of software and hardware design as well as the implementation of wideband technology to maximizes the acoustic performance. Coupled with advanced acoustic clarity technology such as full duplex, echo cancellation, adaptive jitter buffer etc. Creating an amazing face-to-face live experience.

A rich visual experience for applications

The Yealink T48 supports vast productivity-enhancing feature such as XML Browser, call forward, call transfer, 3-way conferencing and a superior UC experience. The 7" 800 x 480-pixel color touch screen with backlight enables rich visual presentation and easier navigation of the menu.

Advanced connectivity

For network connectivity, the Yealink T48 comes with two Gigabit Ethernet ports, one of them suitable for Power over Ethernet. Built-in a USB port, supports Bluetooth headset through the USB Dongle.

Highly secure transport and interoperability

The Communicator uses SIP over Transport Layer Security (TLS/SSL) to provide service providers the latest technology for enhanced network security. The range is certified compatible with 3CX, Asterisk and BroadSoft Broadworks, ensuring excellent compatibility with leading soft switch suppliers.

Benefits
